

CAROLYN GRUMM
Teacher on Special Assignment

Baldwin Stocker Elementary School

Carolyn Grumm exemplifies the position of Teacher on Special Assignment. Tapping into her expertise from the classroom as well as her strength as a leader, Carolyn has grown the position of TOSA at Baldwin Stocker from the ground up. She has developed a systematic intervention program that is both strategic and fluid.

Ms. Grumm can be found in many places throughout the day: be it working with students before and during school or meeting with teachers after dismissal. Behind Carolyn's ready smile and comfortable manner is a steadfast determination to target learning needs, match appropriate interventions, and monitor progress. Carolyn regularly collaborates with teachers and other specialists, enrolling her colleagues in conversations that enhance both student and teacher learning.

Carolyn is a responsible risk taker, willing to try innovative ideas and oversee new programs all with the aim of ensuring student success. The whole Baldwin Stocker community benefits from Carolyn's stewardship of this focused approach to learning.

Carolyn continually embraces new opportunities to grow and learn. In addition to her essential role as TOSA for Baldwin Stocker, Carolyn is a LITE tech, BTSA provider, Student Council Advisor, Accelerated Reader administrator and has recently earned her Master's in Administration. In addition to her work at Baldwin Stocker, Carolyn has coordinated AHS Music Camp and served as AEF Summer School Principal. Carolyn's dedication seems boundless when it comes to Baldwin Stocker and AUSD. This positive energy is powered by her genuine belief that every child can succeed.
